May 2018

Dear Active El Paso County Employees:

In the past, you received your annual statements in the mail. Effective last year, we no longer will mail these to your home address. The pension recordkeeping system we purchased over six years ago has the capacity to keep your statements digitally through our Website and under your individual login account, resulting in substantial savings to the Plan for printing production and mailing costs. Furthermore, this digital access allows you faster access to your statements through encrypted, secure electronic media. You will further have the ability to print or share electronically these statements on demand.

If you do not have a login ID or password to access these statements, you can login to our website at retirement.elpasoco.com, and go to the Member Login area. If you have never used the new website, you will need a username and password to be registered in order to access your account and statement information. To get a username and password, you will want to go all the way to the bottom of the screen once you hit the Member Login area to the Register/Re-Register link, and then complete a one-time registration to get access to the site. You will find that the new system is very user friendly, and will be a secure and convenient repository of your annual statements.

Should you have any questions about your statement or its accuracy as reflected online, please contact the Retirement Office at 719-520-7490.

Respectfully,

A handwritten signature in black ink, appearing to read "Tom Pfeifle".

Thomas Pfeifle
Executive Director
